

Hi my name's Dan Leary, I'm working on a lead generation startup backed by imperial ventures. Could you please tell me who makes marketing and sales decisions at your organization?

*[Get their phone number or email address, see how hard we can push for phone number]*

Pitch

My startup is called Yak Hub, it's an on-demand telemarketing and lead generation startup backed by imperial ventures.

We can generate leads and partnerships for your business, and we're building a technology platform to give you as much control and transparency into the process as possible.

Inquire

What sort of leads or partnerships are you most interested in generating at the moment?

*[Talk about how we can do the thing they said they need doing]*
